INCUMBENT WORKER TRAINING ASSISTANCE FOR L.S.W.I.A.

The Santee-Lynches Workforce Investment Area (LSWIA) announces the availability of Incumbent Worker Training Assistance (IWT) under provisions of the Workforce Investment Act of 1998. Funding that is available is \$204,904.

The purpose of this IWT Program is to assist employers in training currently employed workers in an effort to keep businesses & workers competitive. Private Sector South Carolina Employers located in the counties of Clarendon, Kershaw, Lee & Sumter faced with changing skill requirements caused by new technology, retooling, new services/product lines, & new organizational restructuring or as part of a layoff aversion strategy may be eligible for IWT assistance.

Consideration for training funding will be based on the criteria noted above & the following types of training: Technical & computer skills, basic academic skills, industry or company specific skills, some certification training (Daycare, forklift operator, etc) & soft skills (Leadership, teamwork, & management). Expected priorities are applications which show a significant upgrade in employer skills & or wage increases, significant layoff avoidance strategies, & businesses who have not received an IWT agreement during the prior program year.

You may request an IWT Application by email from Hope Turner at hturner@slcog.org, Areatha Clark at aclark@slcog.org or Gwen Davis at gdavis@slcog.org. Interested employers must forward their request for IWT assistance to Les Thompson, WD Director, Santee-Lynches Regional Council of Governments, Reference: IWT Program, PO Box 1837, (36 West Liberty Street), Sumter, SC 29151 by July 7, 2007.

Santee-Lynches Regional Council of Governments' WIA funded activities affords equal opportunity to the public.
